Wawel[®]

Feeling better,
doing better

Brand Identity

Wawel is one of the most renowned confectionery companies in Poland with its headquarters in Cracow. The city is the past residence of royal families with famous Wawel castle. Thanks to constant passion, we produce sweets with a truly royal flavour.

Historical data

1898

Founded by Adam Piasecki

1998

Entered the Warsaw Stock Exchange

2006

Invested in a new modern factory in Dobczyce, Poland

2017

Constructed a second plant in Dobczyce for new product categories

Development and Innovation

The factory is equipped with world-class technological lines and operates according to manufacturing technologies and processes that meet requirements imposed by all applicable quality standards. The same care for the highest quality applies to the brand's latest products as to those that have been made for decades, according to traditional recipes.

The strength of Wawel is not only about a broad portfolio of excellent sweets and chocolates. The company continues to work on new product offers for customers, broadening its position on the global market, as well as to invest in production lines, increasing its capabilities.

- 18 Product Exposition (p. 34-35)

Wawel's sweets are based on the highest quality ingredients.

They owe their taste to selected raw materials and simple composition.

Good Ingredients

are essentially good products

We rely on

the highest-quality cocoa beans

natural flavours

lecithin from certified soya seeds (GMO-free)

fruit juices

jelly based on organic gelling agents such as agar-agar and pectins

diabetic friendly sweeteners (sugar-free product line)

certified palm oil (Roundtable on Sustainable Palm Oil)

We do not use

preservatives artificial flavourings food colours polyglycerol polyricinoleate (E476)

Certificates

We invest in important things for consumers!
